S-5.0 **SPECIFICATIONS :**

Non ODC consignments of following maximum dimensions and or weight shall be made applicable for loading on respective category of truck.

	<i>Mini Truck</i>	<i>Normal Truck</i>	<i>Open-body Truck</i>	<i>Normal Taurus</i>	<i>Open-body Taurus</i>
Length, mm	4500	6000	6000	6700	6700
Width, mm	1800	2100	2600	2100	2600
Height, mm	2500	2500	2500	2500	2500
Min. chargeable Weight (kG)	3,500	9,000	9,000	15,000	15,000

1. For classifying a truck as Open-body, dismantling of both sides of the truck body will be essential, justifying the width of the consignment.
2. Width is the main criteria for open-body truck irrespective of the weight of consignment dispatched and the same will be considered as full truckload (FTL).

3. In no case, freight charges for lower type/category vehicle will be more than FTL freight charges for the next higher category/type.
4. If due to exceptional circumstances, the actual weight carried by a vehicle is more than the normal weight permitted for that type of the vehicle, pro rata payment of rate shall be made depending upon the actual weight of the consignment.

S-6.0 Full Truck Load Certification

For the purpose of determining full truck load of the consignment due to reasons other than weight/volume, authorization by representative of CDC or concerned product commercial department/MM/BHEL sister unit shall be required.

- In case such consignments are not delivered within the scheduled transit time as Clause S-17.0 plus two (2) day's grace period, the freight bills of such despatches will be allowed at the rates applicable to Small limited to actual weight transported.

S-7.0 Small consignments:

Consignments upto a weight of 1000 kG.

Door delivery charges shall be paid @ Rs 500/- per MT or part thereof.

Minimum charges for small consignment shall be Rs.100/-

Transporters should ensure quick delivery at least upto their own godowns

S-8.0 Minimum Chargeable distance shall be 100 kMs.

S-9.0 Loading & Unloading Charges

- a. BHEL shall be responsible for loading.
- b. Unloading shall be done as per the terms of contract entered between BHEL and customer.
- c. If BHEL requires the transporter to unload the consignments at site; the transporter shall arrange to ensure the same to BHEL/customer's full satisfaction.
- d. **The loading/unloading charges shall be payable as follows :**

- Mini truck	-	Rs. 1050/- per load
- 9 MT normal/open body truck	-	Rs. 2700/- per load
- Heavy trucks (Taurus etc.)	-	Rs. 300/- per MT
- e. Billing will be allowed on the basis of certificate by consignee/customer/BHEL representative.

S-9.1 Payment of unloading charges on freight billing shall be subject to consignments delivered in undamaged condition by submission of duly certified documents thereto by the consignee or its representative or BHEL representative.

S-10.0 Detention Charges

No detention charges at point of loading. However at unloading point, Rs 500/- per day beyond second day of arrival of consignment at destination, subject to verification from the consignee, will be considered for payment. The detention charges shall be limited to maximum 10% of the freight charges. The detention charges shall be payable for consignments sent on full truck load basis only.

S-11.0 ODC Charges

Consignment having dimensions exceeding the standard length, width and height noted at S-5.0 shall be treated as ODC consignment. In respect of such consignments ODC charges on proportional basis over the standard will be payable on pro-rata basis. However, ODC charges shall be permitted in one dimension, whichever of the greater value.

- No ODC charges shall be applicable on volume equated consignments.

S-12.0 Hilly Area Charges

For journey to hilly regions (destinations beyond Jammu in Jammu & Kashmir, Rishikesh in Uttaranchal and *Bilaspur/Shimla* in Himachal Pradesh; freight will be allowed additional 15% over and above the applicable Non-ODC rate for the total journey.

S-13.0 North-Eastern States Charges

For journey to North-Eastern states (destinations beyond Guwahati in North Eastern Sector); freight will be allowed additional 60% over and above the applicable Non-ODC rate for the total journey. No additional hilly area charges are payable.

S-14.0 Incentive

The incentive shall be paid for quick delivery of consignments sent on FTL basis, if they are delivered earlier to stipulated transit period (S-17.0) excluding grace period @Rs.250/- per day saved in transit subject to the maximum of 10% of the freight.

- No incentive shall be paid where longer route is taken.

S-15.0 Letting fee (penalty) reimbursement.

If, the vehicle registered payload carrying capacity being sufficient to carry actual payload and any RTO authorities of the destination state imposes a penalty on account of overloading in terms of any notification issued earlier by the state government, the amount of such penalty may be reimbursed by BHEL on submission of original money receipt and copy of notification issued by state government.

- Such reimbursement will be considered only once at the time of entry in the state i.e., no multiple point penalties will be entertained. Except above, no other charges related to loading will be paid.
- No other ODC charges shall be payable in such cases.

S-16.0 RATE SCHEDULE:

The tenderer shall quote rates in the schedule Annexure S-1 for the freight for various category slabs, for transportation to destinations upto 500 kMs and above 500 kMs.

- Tenderers qualifying S-2.1 to 2.4 are required to quote rates for all variants given in the price schedule.
- Bidders who do not qualify for all India transportation but are eligible to bid for transportation upto 500 kMs as per clause S-2.5 will quote for transportation upto 500 kM only.
- Failure to strictly adhere to above would result in rejection of the bid.

S-16.1 In case of failure to ensure compliance of any or all of the general and special terms and conditions, BHEL reserves the right to make alternative arrangements for hiring vehicles at transporter's risk & cost, besides suspending/reducing/stopping further business.

S-17.0 TRANSIT TIME

Prompt delivery of the consignment is of prime importance. The stipulated transit time for transportation of our consignments shall be as under.

(a) **FOR FULL TRUCK LOAD:**

1. Normal truck / Mini truck	:	300 kM per day
2. Open-body trucks & ODC consignments	:	275 kM per day
3. Taurus	:	250 kM per day

(b) **FOR SMALL CONSIGNMENTS:**

1. 0 – 500 kMs	:	20 Days
2. 501 – 1500 kM	:	40 Days
3. 1501 kMs & above	:	60 Days

S-17.1 For delivery of consignments to hilly area and North-Eastern States, the permissible travel time will be **twice of the normal time for the hilly stretch** only.

S-18.0 **THE BUSINESS VOLUME:**

Estimated load of consignments expected to be dispatched during the two years period of operation of the rate contract will be tentatively as per break-up below at an estimated contract value of Rs 628 Lakhs.

The breakup of loads is as follows:--

<u>Category</u>	<u>Upto 500 kM</u>	<u>Above 500 kM</u>
▪ Smalls	0.03	0.96
▪ Mini Truck	0.43	10.17
▪ Normal Truck	2.41	58.24
▪ Open body Truck	0.11	8.05
▪ Taurus/HGV	0.40	19.20
Total estimate:	3.39	96.61

Note:

- The above figures are only indicative and may vary depending upon actual and our operational requirements.*
- The transporters shall lay no claim whatsoever on BHEL if no fixed volume of work is given to them during the currency of the contract.*

S-19.0 **EVALUATION & BUSINESS DISTRIBUTION:**

S-19.1 The price bids will be evaluated for the total cost index i.e. sum of (% distribution of load as above x quoted rates for each variant) and then compared amongst them to evaluate relative position, separately for both categories i.e., transportation upto 500 kMs and above 500 kMs for applicability in terms of S-19.3 below.

- ✦ However, in case the total cost index is found to be equal for two or more parties, their relative position would be decided on the basis of their average audited turn-over of last three (3) years i.e. 2006-07, 2007-08, 2008-09 specified at S-2.3.

S-19.2 Business award shall be done at equated rates only.

S-19.3 Business is proposed to be distributed on maximum 20 (twenty) parties for both transportation on All India basis (*above 500 kM distance slab*) and for transportation upto 500 kMs, with the L-1 bidder getting about 10% share and the L-20 getting 1% in case of 20 parties with all others in between getting proportionally reduced scale.

S-19.4 In an eventuality of the rate contract being finalized on less than the required number of transporters, the balance volume of business would be distributed on pro-rata basis among eligible transporters. BHEL may reschedule the volume of business & Performance Security Deposit amount accordingly to eligible transporters on pro-rata basis.

S-20.0 These special terms & conditions shall be read in conjunction with General Terms & Conditions CDC/T&G-TC/02e/July'07, to the extent the same are applicable for truck transportation. In case of ambiguity between the two, the provisions in this will over-rule.
