

BHEL, BHOPAL

**TRANSFORMER MANUFACTURING DIVISION**

Page 1 of 6

**SPECIAL CONDITIONS**

**REV. 00**

(The Special conditions given hereunder, supersede the relevant terms & conditions given in “General Terms & Conditions and Statutory compliances”, where ever applicable).

**1.0 Tender submission**

Before tendering, the tenderer is advised to inspect the site of work and the environments and be acquainted with the actual working and other prevalent conditions, facilities available etc. In case of any query/doubt on the tender specifications, bidder shall contact the concerned authority for clarification before tender submission. No claim will be entertained later on grounds of lack of knowledge.

No **condition/ deviation** w.r.t. terms & conditions of the tender are acceptable.

Tenders can be submitted personally or by Speed post / Registered post with acknowledgment. Tenders should be posted with due allowance for any postal delay. The tenders received after the due date and time of submission shall be rejected, even if there is any postal delay.

**2.0 Technical responsibilities :-**

- a) Only PGCIL certified welders shall be deployed to execute the above work meeting all the welding requirements as per BHEL specifications.  
This technical clause shall supersede clause nos. 8.2 (b) & 8.2(c) of the “General terms & conditions and Statutory compliances”.
- b) Payments by BHEL will be made on the basis of the total welding length (in meter) accomplished by the firm.
- c) Firm has to take responsibility to safe and satisfactory operation. Workers have to adhere to safety norms strictly. If any careless / casualty is noticed (at BHEL discretion) in the work, penalty will be imposed on the firm.
- d) The all materials & facilities like electrode, electrode holders, power supply, welding machines, fire services etc. (except personnel safety appliances) will be provided by BHEL at free of cost.
- e) Firm shall arrange all equipment’s required for personnel safety of the workers as per BHEL Safety dept. norms.
- f) Necessary dimensional reports & certificates are to be submitted to QC-TCB for verification. If any defects are noticed in the work, firm has to take responsibility to repair on short notice at free cost.
- g) Welding to be carried out in presence of CISF (fire personnel), and daily work report to be intimated to the respective person of QC-TCB & TRM
