

Sub:- Maintenance of Sewerage system in Township.

[SPECIAL TERMS & CONDITIONS]

1. The scope of work includes maintenance of sewerage system of the entire N'hood by deploying adequate manpower with all required tools & tackles complete as per direction of the Engineer In-charge. The scope also includes repairing/relaying of damaged sewer line and maintenance as directed by Engineer Incharge.
2. The Annexure-I of schedule of work is based on DSR 2007 and Annexure-II on BHEL analysis. The tenderer has to quote the rate on percentage basis for Annexure I and item rate basis for Annexure-II.
3. The contractor shall quote the rates considering the cost of all materials, labours, required tools & tackles and applicable royalties & taxes and including all incidentals complete for carrying out work as per specifications and as per direction of the Engineer In-charge.
4. **The tenderer shall quote their rates clearly in figures as well as in words. In case of any difference in quoted rate and amount the rate quoted in words shall only be taken into account for comparison of rates.**
5. The rates quoted shall be valid for a period of 90 days to take appropriate decision by BHEL for award of work.
6. In case the cleaning rods are required to be supplied by the department on request of the contractor, the hire charges shall be recovered @ Rs. 1000/- per set per month.
7. After finalisation of the rates BHEL reserve the right to split and award the work as mentioned in NIT in any area/N'hood of the Township and the decision of BHEL shall be final and binding on the contractor.
8. The quantities provided in the schedule may be vary to any extent as per site requirement and the contractor will be bound to execute the same on the rates as awarded as per instruction of Engineer Incharge.
9. The work is to be completed within a period of **fifteen months** from the date of award of work otherwise compensation for delay shall be imposed as per provisions of GCC, para 32.
10. The defect liability period for the work executed shall be of **twelve months** for which necessary security deposit will be recovered as per provisions of BHEL Work Policy 2008.

SIGNATURE OF CONTRACTOR

11. In case of unsatisfactory performance of the Agency, the value of work awarded originally may be restricted at any amount as decided by the Engineer In-charge and the work for balance amount shall be got executed through other Agency with suitable punitive action as per GCC.
12. The work being of sensitive in nature and pertains to hygiene and public health aspects, the Agency is expected to execute the work with-in the time as instructed by the Engineer In-charge. In emergency cases the work will have to be carried out by engaging adequate labours on round the clock basis as needed. However in normal course the time schedule as given below may be the maximum allowable for carrying out the work as per direction of the Engineer In-charge.
 - a) With-in 24 hours from the date of assignment for item no. 1, 2 and 4 as described under scope of work duly enclosed with Schedule "A" of Annexure II.
 - b) With-in 48 hours from the date of assignment for item no. 3 as described under scope of work duly enclosed with Schedule "A" of Annexure II.
 - c) With-in the mutual agreed time schedule for item no. 5 as described under scope of work duly enclosed with Schedule "A" of Annexure II.
13. In case of any delay or failure in carrying out the works as instructed from time to time, the department will be free to get executed the work being of "Most Urgent Nature" through alternate sources at the risk & cost of the contractor without giving any prior notice whatsoever. The decision of the Engineer In-charge shall be final & binding on the Agency.
14. In this connection for each day of delay the recovery as actual expenditure plus 33% OR the proportionate rate per day plus 50% [Proportionate Rate Per Day = Awarded rare per month / 25] whichever is higher shall be made and the decision of the BHEL shall be final & binding on the Agency.
15. Successful contractor may be asked at any time to carry out the work in any area / N'hood of the T'ship on the same rates & terms as awarded in that area.
16. It will be responsibility of the contractor to take all safety precautions during execution of the work by providing necessary safety items to his workers.
17. The contractor should ensure all statutory payments such as PF, ESI, Bonus etc. periodical inspections pertaining to PF, ESI etc. All other labour regulations & acts must be strictly adhered to as per instructions given from time to time and absolve BHEL from all the liabilities towards the same.
18. In addition to all above terms the "General Condition of the Contract" prevailing for civil works in the unit shall be applicable and the copy of General Condition of the Contract shall be made available to the interested tenderers on extra payment of Rs. 100/-.

SIGNATURE OF CONTRACTOR

19. In case the performance of contractor is not found satisfactory the contract may be short closed as per decision of the Engineer In-charge with short closure penalty.
20. The deduction towards Income tax, M.P. Commercial tax and other taxes as applicable from time to time shall be made from the payments.
21. The tenderers are expected to have inspected the work site and read & understood the condition prior to quoting the rates as no claim subsequent to submission of the tender shall be entertained.
22. The EMD by the tenderer will be forfeited if
 - i) After opening of the tender, the tenderer revokes his tender within the validity period OR increases his earlier quoted rates.
 - ii) The tenderer does not commence the work within the period as per LOI/Contract. In case the LOI/Contract is silent in this regard then within 15 days after award of contract.
23. Time extension or deviation in contract sum shall normally be not granted. However in deserving cases, application must be sent in advance (at least 15 days before the date of completion of contract) stating reasons for delay or deviations, for consideration and approval of competent authority. Upon approval such deviation or time extension shall be communicated separately to the contractor. Any work done in violation of above norm will be treated as unauthorized and BHEL shall not be responsible for making payment for such work.
24. Payment shall be made by the contractor to his employees as per their category & nature of work which shall not be less than the rates declared from time to time under minimum wage act by Govt. of M.P. and it should be paid by cheque by opening an bank account of each employee/worker.
25. Contractor shall be responsible for making payment of wages before expiry of 7 days from the last day of wage period and to ensure disbursement of wages in the presence of the authorized representatives of contract operating division who shall record under his signature at the end of entries in the register of wages in the following form.

"Certified that the amount shown in column no. has been paid to workers concerned in my presence on date at time"
